**Subject:** FW: Local Government Advisory Committee (LGAC) Solicitation for 2019 Nominations

Deb,

Short fuse suspense on this action (**15 March**). Last year both you and Doug made recommendations on who we should nominate. How would you like to proceed this year?

Best regards,

Andrew

**Subject:** Local Government Advisory Committee (LGAC) Solicitation for 2019 Nominations

Good afternoon,

EPA's Local Government Advisory Committee (LGAC) provides critical advice to the Administrator and Senior Leadership on the development and implementation of Agency programs at the local level. We are seeking your help to identify nominees for the LGAC and for the Small Community Advisory Subcommittee (for communities under 10,000) by **March 15th**. We anticipate that we will fill 10-12 vacancies. For more information, go to: <https://www.govinfo.gov/content/pkg/FR-2019-02-21/html/2019-03000.htm>.

Candidates must hold current local, state, and tribal government elected and/or appointed positions (see attached LGAC Charter). Nominees must be willing and able to attend **2-3** meetings a year. The LGAC has one standing subcommittee which is the Subcommittee on Small Communities (SCAS), focused on small communities under 10,000.

In addition to experience in local and/or state government, additional criteria to be considered may include:

- Experience with public-private partnerships; coalition-building and grass-roots involvement; implementation of environmental regulatory programs, whether federally-delegated, state-required or locally-mandated, including permitting programs;
- Experience in water infrastructure, brownfields, Superfund clean-up, air and water quality, and solid waste management; and, rural and/or small community economic development;
- Diversity in vocational/career background, including private sector/industry experience, agricultural sector experience, professional affiliations; and,
- Demonstrated familiarity with local, regional and national environmental issues, also may be considered.

Please send the nominees' name, full resume, and short biography to Frances Eargle, Designated Federal Officer for the LGAC at [Eargle.Frances@epa.gov](mailto:Eargle.Frances@epa.gov) with subject header of **LGAC MEMBERSHIP 2019** by **March 15<sup>th</sup>, 2019**.

Thank you in advance for your assistance, and please contact me (202) 564-6312 or Frances Eargle at (202) 564-3115 if you have any questions.

Sincerely,

Britt

Britt Carter
